

**Discover a global company where you can develop your full potential!
Bugge Shipping bvba is the manager of a fleet of 5 general cargo coaster vessels,
we will extend our fleet in time to 8 vessels and therefore we need a**

Junior Technical Superintendent

We are looking for a technical superintendent who is responsible for the technical maintenance and operation of our vessels. You will make sure the maintenance planning, execution and control are carried out on board our vessels in accordance with good practice. You will monitor, prepare and supervise unscheduled repairs and dry-dockings. Additionally, you will monitor the vessel's technical budget together with the Managing Director and you will make sure the vessels receive necessary technical spare parts. You will visit the vessels on a regular basis to give technical assistance. Furthermore, you will ensure that the maintenance on board is carried out according to the planned maintenance system.

Profile:

- Minimum education: Bachelor's Degree
- Preferred experience as Technical Superintendent or sea experience as ship's engineer
- Strong planning and organization skills
- Good technical knowledge
- Cost effective view
- Good computer skills
- Well motivated team player
- No 9-to-5 work mentality
- Willing to travel abroad to visit the vessels and sail aboard the vessels
- Excellent written and verbal communication skills in Dutch and English
- Good knowledge about requirements on board of sea-going coaster vessels with trading area Europe – Med-North of Africa

Offer:

An independent and responsible position within a young and dynamic company; Opportunities to develop your career in a competitive multinational environment; Working in close co-operation with a team of motivated colleagues; Top-quality education and training opportunities; A competitive salary with extra-legal benefits; A flexible work environment.
